

Galactic Expo 2020

May 16-17, 2020

At The Fairgrounds Nashville in the **NEW EVENTS BUILDING!**

500 Wedgewood Avenue, Nashville, TN 37203

Hello Exhibitors,

We are now accepting applications for the 22st Galactic Expo to be held May 16-17, 2020 at The Fairgrounds Nashville.

The purpose and mission of the Galactic Expo is to promote education and awareness of holistic health, natural healing, conscious living, and spirituality. One way we do this is by bringing together alternative health practitioners, great information resources, intuitive readers of all kinds, spiritual counselors, retailers, light workers, vendors and others in one place, allowing them to come together for the health and wellness of body, mind, and spirit.

Attendance at our 2019 Expo was 2504. This is down from our previous year and vendors still had a successful show.

Applications for 2020 started coming in during expo weekend. We were 90% booked for next year by the time the show ended. We will be sold out again by the end of May and expect another extensive wait list. If you are interested in doing the show, please submit an application. We had cancellations as late as setup day.

Current vendors have first opportunity to sign up for next year. We will begin placing new vendors in August from all applications submitted. Upon receipt of application you will be notified if you have a space or are on our wait list. We always have booths that cancel between now and the month of the show. We fill booth space from our wait list.

We are moving into the new buildings at the fairgrounds that are still under construction and expected to be complete by the end of summer. When complete, we will be able to get in to do physical measurements of our space. Once that happens, we will adjust the floorplan and post a more accurate layout. We do expect there to be some changes.

If you are new to the Galactic Expo, we have been at the fairgrounds for all 21 of our previous shows. All the old buildings are coming down this summer to make way for the new soccer stadium that will begin construction this year.

An artist drawing of the new event buildings is included in this document. If you have been with us before, note that the curved track you see on the picture is a representation of the race track that is remaining. The new buildings are not that close to the track. It was included in their drawing to indicate the location of the new buildings on the property.

A completed application and payment in full are required to hold your space. Exhibitors may, as always, sign up anytime. Booths will be assigned, as long as, there is availability in your category.

We have a flexible payment plan and a great cancellation policy!

We keep a balance of vendors in all categories: Alternative Practitioners, Massage & Energy work, Aromatherapy, Astrology, Aura Photography (full), Gifts, Crystals (full), Jewelry, Health & Nutrition, and Psychics (almost always full).

As a space opens, we will fill it from a vendor in the same category. Your payment will be held until we ask you to fill a space.

Applications are not carried over from year to year. You must send in a new form for each show.

We look forward to having you join us for a wonderful 22nd Galactic Expo!

*Abundant Blessings,
Katherine*

Expected completion date: Summer 2019

Beginning in 2020, The Galactic Expo will be in the Expo 1 building.

Parking is permitted under the open sheds.

Approximately 850 parking spaces at the buildings.

Other parking is in within the same walking distance as previous shows at the fairgrounds.

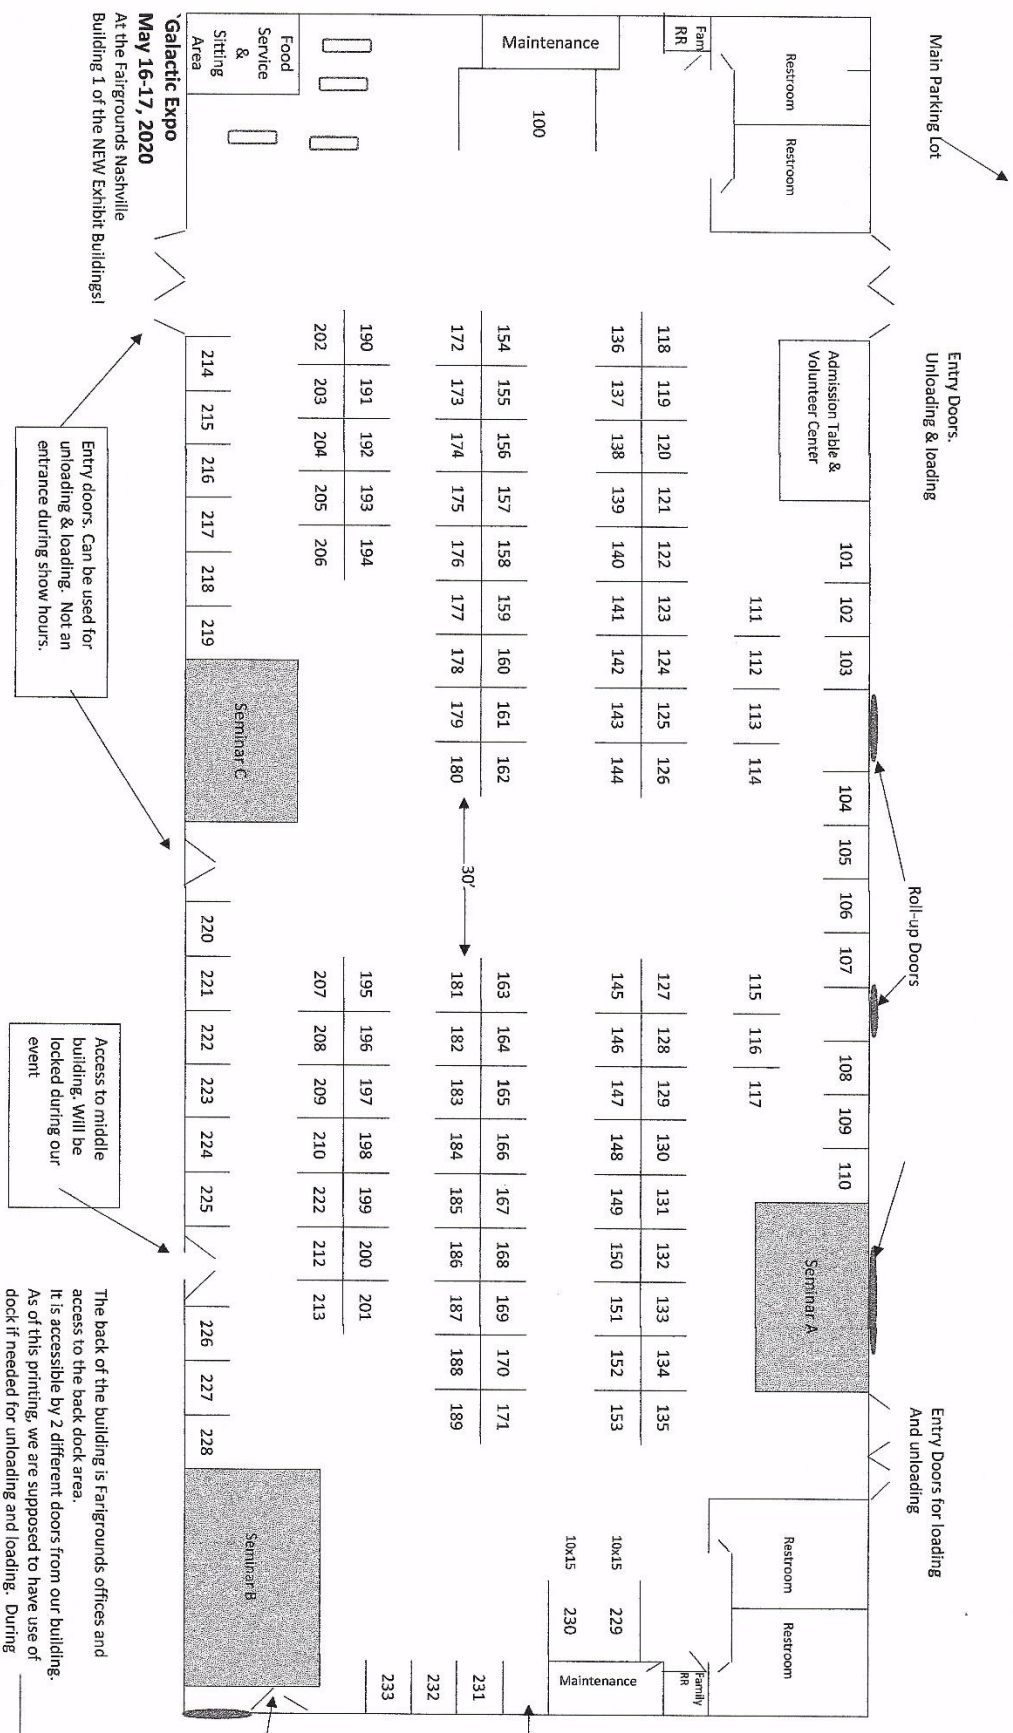

New tables, chairs and pipe & drape (black only) is expected to be in place by next year.

Expo 1-2-3 are connected in the same way as current buildings, via roll-up doors and an entry door or two.

As the buildings get complete, we will do physical measurements and update the application.

The first game in the new, yet-to-be-built, soccer stadium will be scheduled for 2022.

All current fairgrounds buildings will be razed and replaced with the new soccer stadium and related structures.
